

# THE WEDDING SCENE

HEY LOVERS, I'M SARAH

I'm here to help you feel *calm, confident, and completely in control* on your special day.

I've spent nearly a decade immersed in weddings. Owning and operating Waipuna Estate, one of Christchurch's leading wedding venues, has given me a front-row seat to the highs, the hurdles, and everything in between when it comes to wedding planning and coordination.

What I've learned? Planning a wedding doesn't have to be stressful, it can be fun!

# It's my job to make wedding planning feel easy.

I know the right questions to ask, I'll think of the details you may not have considered yet, and I have a network of trusted vendors that will make it easier to feel confident with your choices.

My approach is equal parts experience and intuition; I listen to your vision, guide you through the process and take care of the small but significant details that will make a difference to your day.

While I'm based in Canterbury, I work with couples near and far. All of my wedding planning services (aside from on-the-day coordination) can be delivered remotely.
