CONGRATS!

Thanks so much for reaching out—huge congrats on your engagement!

There's a whole lot of good times ahead—bubbly, belly laughs, and all the beautiful chaos that makes your day uniquely yours, and I'd be stoked to be part of it all. As a wedding photographer, I'm all about capturing the real connection between two people—the raw, honest moments that show what your love's truly made of.

I'd love to hear more about what you're planning and see how I can bring your story to life through photos that actually feel like you.

Heya, I'm ——— **MARTY**

Chilled vibes, real connections, epic photos

Creativity's always been in my blood, but what really drives me is capturing real, honest human connection—the kind that doesn't need to be staged. It's those raw, unfiltered moments, often the smallest ones, that end up meaning the most.

Weddings are full of them. A quiet glance, a burst of laughter, a proud tear—blink and they're gone. That's why it means the world to be trusted to catch those moments, freeze them in time, and hand them back to you as lasting memories.

Keen to hear all about your plans and ideas, chat soon!

"We were so blessed to have Marty as our photographer, it was such an amazing day he really made us feel really comfortable as if our best friend was taking our photos. We really appreciated that Marty took intentional time to get to know us as a couple and our history so that he could know how he could capture all the special moments on our special day to make it so much more amazing, so we highly recommend Marty to anyone so if you want to have amazing wedding pictures or even engagement pictures then we highly recommend Marty".

Kind Words from

CHARNEY & ETHAN

Why I can't wait to

DOCUMENT YOUR DAY

From stolen glances and cheeky kisses to cutting loose on the d-floor, I'll be there to capture the story as it really happens. Every laugh, tear, and in-between moment. Even the little things you might miss on the day—those often turn out to be the best bits.

Hand on heart, all my energy goes into creating a solid collection of images that brings your day back to life every time you look at them. You'll feel the moments all over again—just like you're right there in it.

Whether it's blending into the background to catch the natural stuff or stepping in to keep things moving when needed, I'll slot right in like part of the crew. No fuss, no drama, just making sure every moment gets the attention it deserves.

"Marty, you're a legend!"

"Marty was a pleasure to have involved on our day, brought such a nice wedding vibe and energy, he was cool, calm and collected, very professional and so passionate. As a bride I felt super confident Marty would get all the shots and he did! I couldn't recommend Marty higher and he has since done another close friend's wedding. Marty really went above and beyond for us and exceeded all our expectations!"

SECOND PHOTOGRAPHER

The perfect solution to cover multiple locations or big weddings.

As much as I'd love to be in two places at once, having a second photographer makes that a whole lot easier.

It's a solid option for bigger weddings, tighter timelines, or if you just want a fuller, more detailed story of your day. Easy to add on, and we'll work together seamlessly to capture every angle.

This is a solid choice if you're after more coverage, more moments, and more of your guests captured throughout the day

It's especially handy if:

- You've got a big guest list and want to make sure everyone's in the frame at least once
- You and your partner are getting ready at the same time in different spots
- You'd love photos of the ceremony or reception setup before everyone arrives

More angles, more memories—without missing a beat.

We'll tag team it from start to finish, especially if you're getting ready in different places or there's a lot going on at once. It's the best way to get both sides of the story without rushing or cutting corners.

And while I'm busy with you and the crew, my second shooter can be off getting clean shots of the ceremony and reception setups—before anyone's arrived and started moving stuff around. Easy as.

\$350 *three hour minimum*

\$80 *per additional hour*

ALBUMS

Your wedding album is more than a keepsake—it's a handcrafted piece of fine art, designed to hold your most meaningful memories. Made from premium materials and fully custom to your style, it's built to last for generations.

I'll curate your favourite images and craft a design that reflects the heart of your day. Then, we'll sit down together and fine-tune the final layout until it's something you're absolutely stoked with. Every album is a one-of-a-kind creation that tells your story, your way.

This is the real deal—handmade with proper care, solid materials, and a clean, timeless look that feels as good as it looks. It's more than just a book of photos—it's a piece you'll be proud to show off, flick through, and pass down for generations.

It's built to last, with quality that holds up and binding that lays perfectly flat, so every photo gets the space it deserves—custom-designed to reflect your day, your way, telling the story from start to finish with all the big moments and the subtle ones in between.

And if you find yourself running your hand over the cover or cracking a grin when you open it up—don't worry, that's normal. Happens to me too.

FAQ

Where are you based?

I am based in Hamilton NZ, but I am available to travel all over to capture love.

Do you photograph internationally?

After 14 years living overseas and exploring all corners of the globe, travel's a big part of who I am. I've photographed in all sorts of places, but one goal still on my list is to shoot a full international wedding — either this year or next.

So if you're planning a destination wedding or elopement and keen to take me along for the ride, let's make it happen together! Nothing excites me more than the opportunity.

Please get in touch even if you're thinking about the idea, so we can chat about the finer details.

Do you photograph elopements?

If you're keen to ditch the big wedding and do things your own way — just the two of you, or maybe a few close mates and family — I'm all in. Elopements are raw, real, and packed with emotion, and I'd be stoked to document every moment of your intimate celebration.

I've got a real love for epic landscapes, and incorporating spectacular locations into your day is my thing — whether it's mountaintops, beaches, forests or somewhere completely off-grid.

Elopement options kick off from 3 hours of coverage, so if you're planning something a bit wild and off the beaten track, flick me a message and let's have a yarn about making it unforgettable.

How many photos will I receive?

You'll receive anywhere between 400-800 photos, depending on how many hours we shoot and how jam-packed your wedding day is!

How will I receive my photos?

Firstly, I'll send you a handful of sneak peek shots a few days after your wedding. 8/9 weeks later, you'll receive a link to join me for your onboarding experience of your online viewing gallery to watch and relive your wedding day. I'll walk you through how you can control your gallery for years to come.

How long will it take to receive our photos?

It will take roughly 8 to 9 weeks to receive your final wedding photos. I put a lot of love and care into perfecting each image, which is why it'll take me a little bit more time to deliver your final images. If you'd like your photos sooner, please ask me about the rush fee.. more details can be found on page 13 of this guide.

What happens if disaster strikes?

This has never happened and will NEVER happen. However, if it did, I have amazing contacts all over that will be able to step in. These are other talented photographers who will take great care of you. The images will still be edited by me and delivered with the same due care and attention.

What if I have to cancel or move my booking?

Life is complicated and the unexpected is to be expected. The retainer is non refundable as this helps to protect my business due to turning away all other bookings for your wedding date. I hope you understand that the retainer is insurance for my business to stay afloat in the event of a cancellation.

Do you have any vendors you recommend?

Yes, from years of experience in the wedding industry I have come to work with some of the top wedding vendors. Let me know what you need and I'll put you in touch with them.

If you would like a specific recommendations, just reach out and I'm sure I will have some suggestions I can send you.

Can I print my photos?

Of course, I'd love for you to print your favourite photos! You can easily order photos prints through your online gallery.

We don't want our photos on social media

This is your wedding and if you are uncomfortable with your photos being shared on my social media platforms, I will respect that.

Do you have a payment plan?

Yes, we can organise to split your payments into four installments. Just let me know if this would suit you.

HOW TO BOOK

Here's how you can lock me in for your wedding day

Keen to lock it in? Choice!

Flick me an email at marty@martybrown.co.nz with the package items you're after. I'll shoot through a \$500 deposit invoice and agreement to lock in your wedding date. Once that's all sorted, I'll send you a quick questionnaire so we can get the ball rolling on the next steps. Too easy!

WANT TO CHAT FURTHER?

Let's organise a catch up

No pressure, no stress.

A catch-up is just a chance to chat and see if we're a good fit—no obligation to book on the spot. I want you to feel totally confident and stoked with your decision once we've talked through all the details. If you're in, I'm in!

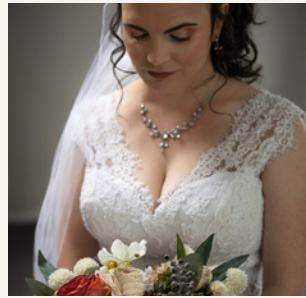

Your happiness is my happiness

We can catch up in person or over Zoom—whatever suits you best. It's a relaxed chance to have a proper yarn, ask any questions you've got, and get a feel for how I work. No pressure at all—just making sure it all feels right before locking anything in.

Please note that I do book out pretty far in advance, so it's best to get in touch with me sooner rather than later, to avoid any disappointment.

LOVE NOTES AND KIND WORDS

*Testimonials I've received
from my couples*

*"Nothing flustered him,
so nothing flustered us!"*

Marty was very professional and yet easy going throughout the wedding day. His passion for photography was evident in every step of the process. Lead up information was comprehensive (as we had no idea what the process was, and needed lots of guidance). He also had a relaxed 'vibe' throughout the day, which - for a couple who don't photograph a lot - put us at ease. Nothing flustered him, so nothing flustered us! It was a wonderful day, to which he contributed significantly. Beautiful photos - the colours popped, some great posed and candid shots. He also touched base after to personally show us the full set of photos and go through options and ideas for albums etc. I definitely recommend Marty!

EZMI & BRYAN

*"The best word to
describe it is magical!"*

We absolutely love our album. My husband was really blown away by the class and quality. It's been really special showing it to our friends and family. The process was so smooth. Would definitely recommend these albums to anyone getting their wedding done by Marty. It's the perfect way to relive the day each time you open it. The best word to describe it is magical!

100% we recommend Marty to anyone looking for a wedding photographer. Very professional, organised with absolutely stunning results. He made the photos so fun and made everything so easy.

HEIDI & CALLUM

*We've received so
many comments on
how amazing and well
put together our
highlight film was and
how it captured the vibe of our day so perfectly.*

Wow the 15 minute highlight film is far beyond what we expected and will be cherished for the rest of our lives - He really showcased the vibe we wanted to go with for our wedding. We had already met him previously when he done our engagement photos so when the day came we already knew him which made the day more comfortable. We get tons of compliments of our wedding photos! We are so thankful for your team, how amazing it was to have you.. everything we dreamed of and more!

MAY & KASEY
