

A lil' About Me

Motiv Entertainment is an owner-operated premium DJ service - and it's essentially me, Vito!

Based in Ōtautahi Christchurch, New Zealand.

Apart from being an experienced DJ who has played some of Christchurch's most popular clubs, I've got a really broad knowledge of music and an understanding of people; which helps me to deliver the vibe and feel the people who hire me deserve..

Motiv Entertainment works with you to make music planning for your wedding an easy and relaxing experience, while still delivering smiles and energy for your dance floor.

Taking the music you love, I'll make sure your celebration reflects your personality and vibe, mixing seamlessly to create the perfect soundtrack for your event.

MAKING MUSIC MEMORABLE

Wedding Packages

"Dedicated to creating unforgettable moments through music"

We Found Love

Perfect for people who want to keep it simple. A speaker system and intelligent dance floor lighting for up to 100 people, this 3 hour package will rock the dance floor part of your celebration with just the key elements you need to do so.

Forever

From the moment your friends and family arrive, they are introduced to the soundtrack for your day. I'll take care of your ceremony music, and work closely with your venue, celebrant and videographer to deliver the best experience. I'll keep your guests entertained throughout your entire day, leading to an energetic and memory making dance floor at the end.

Packages & Services

MC Services

Give yourself permission to enjoy your wedding day as a guest. Much more than just announcements, I take care of playing host and problem solver, working together with all of your vendors to ensure your day runs smoothly, so you can enjoy being a newlywed

Enhancements

Choose from a wide selection of enhancements to make your wedding unique to you. From foam led sticks for your dance floor, an audio guestbook, photobooth, or even if you want to have a silent disco at your wedding.

More information about all packages are available online and by request. Just ask and I'm happy to send the information through.
