

MANDY CALDWELL  
PHOTOGRAPHY

## // *Welcome*

With 14 years of experience and a relaxed approach, I'll photograph your day in a way that feels natural, candid, and authentic. My work blends a storytelling approach with helpful direction, so you can enjoy the moment while I preserve it beautifully to be enjoyed for years to come.

You'll find my wedding packages on the next page. Each one includes travel within Christchurch, pre-wedding consults, professional editing, and a curated online gallery of high-resolution images ready to download and share.

As soon as your wedding day wraps up, I begin the careful editing process to ensure every photo meets the highest standard. Wherever you are in the planning process, I'd love to hear your story and help bring your vision to life. Don't hesitate to reach out - I can't wait to be part of your day. Let's create something beautiful together.

Kind regards,

*Mandy Caldwell*
