TIPI GOODNESS 2025/26

ABOUT US

BUT REALLY, IT'S ALL ABOUT YOU.

Bringing the magic since 2016 & based in the Southern alps of New Zealand, we take inspiration from our stunning surrounds and awesome community to craft the tipi wedding, corporate event or party of your dreams.

Our tipis bring folks together from all walks of life, whether it's celebrating a wedding, corporate event, birthday or just because they love tipi parties as much as we do.

WITH LOVE,

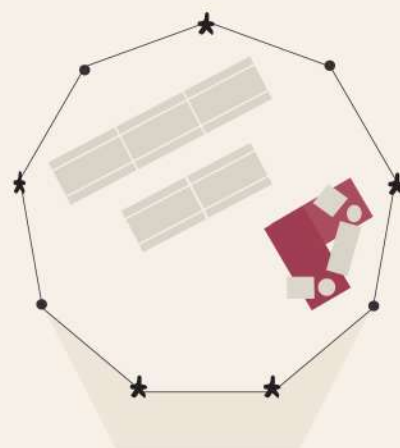

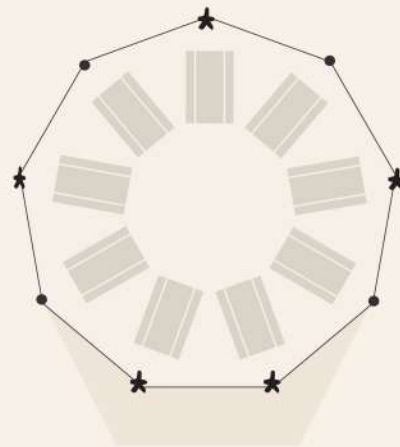

Sarah & Chris

SINGLE TIPI

70 – 100 people

Perfect for weddings, private events and parties, our single tipi creates a cosy and intimate feel for up to 70 people seated or 100 standing. Or for those with a few big ideas, why not add a single tipi to your big event as a satellite dance tipi or bar and lounge.

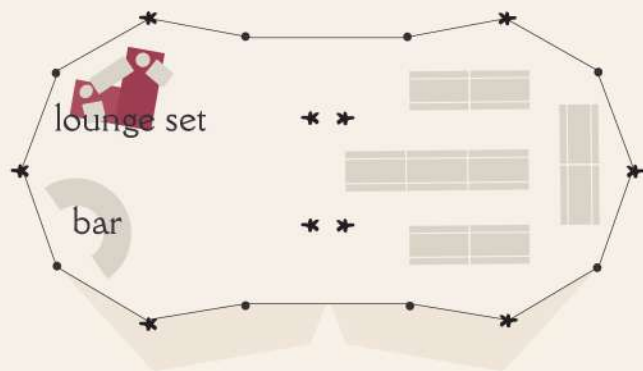

DOUBLE TIPI

80 – 140 people

Two tipis work harmoniously together to create a larger space for more guests and an extra special feel. The additional roof area provides tonnes of room for dining, band antics and busting some moves on the dance floor. You know who we're talkin' about.

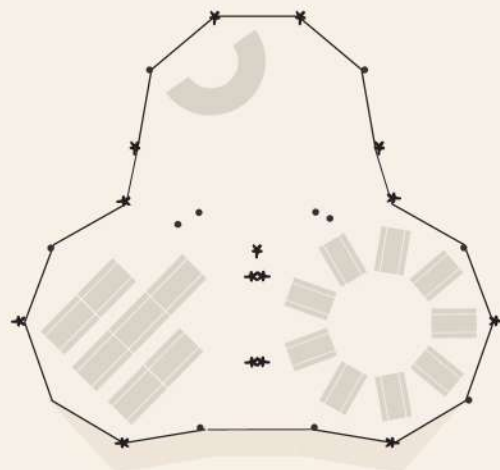

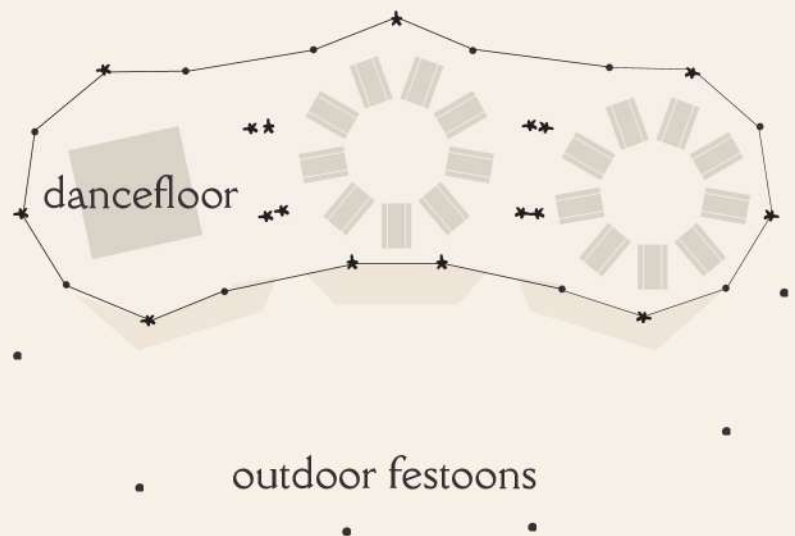

TRIPLE TIPI

120 – 200 people

Three tipis are the most popular choice for good reason. Whether they're in a triangle, straight line or arc formation, three tipis provide a generous space for all sorts of set ups and up to 200 humans to have a dang good time.

WANT MORE CANVAS IN YOUR LIFE?

Four or more? We have 8 Tipis available for hire.

If you're ready and willing to go full swing tipi we can join up to six of them!

It really is something to be marvelled at, providing a spectacular sight and unlimited options for dancing, dining, themed rooms and all those good things.

EXTRA HIRE ITEMS

A tipi or sailcloth can hold their own in a crowd, but they also provide the perfect canvas for so much pizzazz and sparkle.

Ask us about our extra-hire items brochure and browse through our event furniture, fire stuff and other fancy bits.

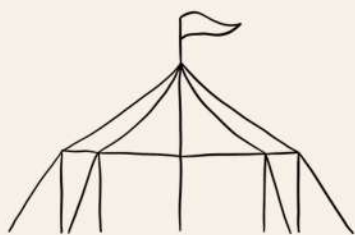

THE SAILCLOTH MARQUEE

THE YIN TO OUR TIPI YANG

Our brand new Sailcloth marquee. Bringing the same to-cry-for aesthetic and raising you even more space to wine, dine and disco. Woven from translucent sailcloth fabric and matched with hand-machined timber poles and clear side panels, our event tents are here to zhoosh up your next work-do, wedding or corporate event. Choose from three sizes, or go for a little tent-tipi combo. It's time to bring out the big tents.

A remarkable structure offering a haven of comfort, shielding you from the elements while letting you savour the natural environment.

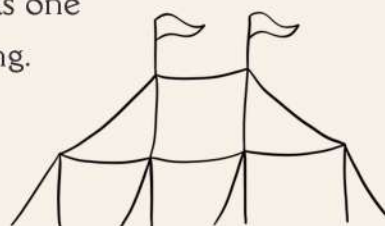

ONE-TENT WONDER

A dreamy space for smaller weddings, cocktail events or intimate shindigs, this one's all about little luxuries. A similar size to a single tipi, our single marquee tent fits 50 folks seated or 100 standing. It also doubles as one boujee dance tent at your big event, just saying.
