| WHY PHOTOS ARE IMPORTANT

What attracted you to my photography? My hope is that it is not just the high quality or timeless nature of my editing style that you are drawn to, but that it is the authenticity of each precious moment captured.

Your wedding photos are more than just pictures - they capture the emotions, joy and love on one of the most important days of your life.

These are the moments you'll treasure forever, from the first kiss as a married couple to laughing with family and friends who you might not see everyday.

Wedding photos allow you to relive your special day, share it with future generations and keep the memories alive long after the celebration ends.

Investing in quality wedding photography ensures that every meaningful glance, tear and smile is beautifully documented, making your love story truly timeless.

| THE EXPERIENCE

FROM FIRST CONTACT

You can count on me to genuinely care about what is most important to you both before, during and after your wedding day. It's important to me that you choose the people who are the right fit to be with you on your special day. That's why I like to meet with all my couples either in person or via zoom before they choose me.

Over the past 10 years, I have had the honour of capturing a huge variety of weddings, from small intimate family weddings, to large multi-cultural events!

This has given me the experience to be able to help my couples plan a day that truly represents who they are and how they like to celebrate!

Whether it is advice around planning the timeline for your day or with finding other epic local vendors, I am here to help. Or if you are already all sorted with planning, that's fantastic! Let's chat about your plans and what parts of your day are most important to you both x

On your wedding day, I'm all about capturing as many moments of love, laughter and connection as they naturally unfold.

However there are parts of your day (like group family, bridal party and your couple photos) where I will certainly give you and your guests just the right amount of direction, so that you're not left standing there wondering what to do with your hands or feet or where to look - but in a fun and light hearted kind of way!

| GET TO KNOW ME

When I am not behind my camera, you will find me enjoying time with my lovely husband (and best DAD ever!) Jono and our three beautiful kids... who are growing up way too fast for my liking... with the youngest turning 10 this year!

I am a born and bred Tauranga local. A farm girl at heart, spending the first 11 years of my life running around the rolling hills of Whakamaramara, before moving into the city.

I have a strong passion for photographing both people and places. Before developing my life long love of photography into a full time career, I was an Architect in Auckland. However after my years away and a few overseas adventures, I can truly say, we are so pleased we have chosen to raise our kids here in the beautiful Bay of Plenty!

MEMORIES YOU CAN HOLD ONTO FOR A LIFETIME

ALBUMS

With lush leather covers, personal embossing and high quality printing, Queensberry Flushmount Albums, are a beautiful addition to your wedding photography package.

Once you have had a time to enjoy looking through your gallery of photos, you can make an online favourites list for me to use as the base for your album design. The process from there is super simple, with an online preview platform where you can make comments or requests for changes.

I offer a range of albums, but highly recommend either a 10" x 10" Highlights or Full Story album.

You and your guests are welcome to use your online gallery to order high quality prints from the comfort of your own homes. Please let me know if you would like more information about specs and pricing, prior to your wedding.

"ROSE WAS MY CALM PERSON"

"Rose did an incredible job on our wedding day! We have beautiful amazing photos of our day. Rose taught two very awkward people how to pose for photos and became my calm person throughout the day - especially when those nerves kicked in! We had so much fun with her and everybody loved her. Can't recommend Rose enough!" - Kayla + Cody -

| FREQUENTLY ASKED

ANSWERS TO ALL OF YOUR QUESTIONS

DO YOU HAVE EXAMPLES OF FULL WEDDING DAY COVERAGE?

I sure do! You can see an example of one of my recent weddings [here](#). These are just the highlights that I send to my couples within 3 - 6 days after their special day. Please let me know if you would like to see some full galleries.

CAN WE MEET YOU BEFORE OUR WEDDING DAY?

Absolutely! It's important to me that you choose a photographer who is the right fit to be with you on your special day. If you are local, let's catch up for coffee or if not, [click here to book a zoom chat](#).

COLOUR OR BLACK + WHITE PHOTOS?

I'm a HUGE fan of black and white photos! I love the way they can tell a story in such a timeless way. However I totally get that they are not everyone's jam, so when my clients receive their gallery of photos, they get a full set of colour photos, as well as a selection of my fav shots converted to black and white.

HOW MANY WEDDINGS HAVE YOU PHOTOGRAPHED?

I have photographed over 100 weddings in the last five years, some second shooting for other top NZ Photographers, but most flying solo.

WHERE ARE YOU BASED? DO YOU TRAVEL ?

I am based in the Tauranga, however I definitely do travel! So no matter where your wedding is going to be, we can figure out the best travel options, to keep costs to a minimum for you. There are no extra travel costs for weddings based in the Bay of Plenty area.

CAN WE CUSTOMISE YOUR PACKAGES?

You sure can! I have three package options listed [here](#), however I can customise a package to suit if you are after something different to what is listed - for example, more or less hours, second shooter, add or remove an album, etc

DO YOU DELIVER UNEDITED PHOTOS OR RAW FILES?

No, as they are not the finished product. It would be like giving you a half finished piece of artwork. You can be confident in the knowledge that I take a lot of care when individually editing each of your photos.

HOW LONG DOES IT TAKE TO GET OUR EDITED PHOTOS BACK?

Depends a bit on whether your wedding is at the beginning or end of the wedding season. However I always deliver within 10 weeks for a full day of coverage.

"THANK YOU!"

"We can't recommend Rose enough!
She captured the essence of our day perfectly and it has been
so much fun looking through the photos and reliving our day.
Rose was incredibly organised, so easy to work with and made
us feel so relaxed. We're so thankful we have these beautiful
images to look back on." - Laurel + Kieren -

NEXT STEPS

IF YOU HAVE DECIDED
I AM YOUR GIRL!

I can send you through a contract for your review and an invoice for the 25% deposit that confirms your booking with me and locks your date into my calendar!

YAY! YOU CAN THEN TICK
'BOOK PHOTOGRAPHER'
OFF OF YOUR WEDDING
PLANNING TO DO LIST!!!

BUT WHAT IF WE ARE NOT SURE
WHICH OF YOUR PACKAGES
WILL WORK BEST FOR US...
BUT WE KNOW WE WANT YOU
TO BE OUR PHOTOGRAPHER?

No worries, I totally understand that you may still be in the early stages of planning and might not be sure which parts of your day you would like professionally captured.

That's why I am happy for your package to be changed up until one month before your wedding. Adjustments can be then sorted with your final payment invoice.

STILL HAVE QUESTIONS?

Either send me an **email** or honestly I mean it when I say, feel free to pick up the phone and call me - I might be on Insta and the like, but I'm totally a fan of good old fashion communication!
