

Past brides say..

We are coming up to our 1 year wedding anniversary on December 9th, and I am looking back at photos from our special day. I'd like to say a huge thank you to Florist Ilene for our beautiful bridesmaids and bridal bouquets. The flowers were gorgeous and wonderfully put together. I have also had my bridal bouquet preserved in resin by Haley at Clearly Preserved. Marie was also very lovely and professional during throughout the process. If you are looking for bridal flowers, I highly recommend Florist Ilene ❤️

Kerry Bowen

Florist Ilene did our wedding flowers last year, and I loved it so much they are now my go-to florist for everything! They're reliable and use clear communication and their flowers and sense of style are brilliant! Highly recommended.
