OUR STORY

(1)

Love in the Loft was born thanks to a creative friend seeing the potential in our humble studio on Victoria Street, Hamilton. Nestled in an 1899 building, there is something naturally romantic about this space. Vintage lovers will adore it. We know that more and more couples are now choosing to elope or hold intimate ceremonies, and we believe that they shouldn't compromise on a luxury experience or timeless keepsakes. Love in the Loft brings romantic elopements to Hamilton Central, for the lovers who want the elegance of a traditional wedding day, without the big price tag. Winter seems like the best time to launch, sheltered from the rain and cold in the very heart of the city!

THE WINTER SPECIAL

(2)

We're offering an all-you-need package at a special rate for those wanting to tie the knot this Winter. Ceremonies will take place on allocated Saturdays with 3 time slots available, two day options and one candlelit evening option for those looking for an even more romantic feel.

The Winter Launch Special includes:

- 2 hours, including 1 hr for portraits
- Venue with basic styling and capacity for up to 6 guests
- Registered celebrant (templated ceremony) * and witnesses available upon request
- Photographer and all the best edits (usually around 150 images)
- Custom petite floral bouquet + matching boutonniere
- Complimentary iPhone content creation with 90 second highlight Reel to chosen song
- Light food and alcohol free beverages

\$2,800 limited time only

*Note: This package does not include the cost of your Internal Affairs licence of \$158. You will need to order and pay for this direct from DIA at least 1 week before your wedding date. Our celebrant Lisa will guide you through the process.

Love our space and looking for something more custom? Reach out to us via email.

WHAT TO EXPECT

On enquiry, let us know if you'd like to include any add ons. If any are selected, these will be arranged on your behalf. Secure your date and time slot by making full payment on receipt of the invoice. You'll receive a contract and a questionnaire to complete, and we'll be in touch with further questions and information when required.

Step into The Light Loft, already neutrally styled and mindfully curated in a way that complements every couple, your custom bouquet and button hole is where you can add your own taste. The space is intimate by design with seating for up to 6 guests. We're fully indoors so the weather is never a factor!

The only thing you need to organise is your marriage licence, and our celebrant Lisa will assist you with the process. We handle everything else, all you have to do is show up.

Light food and non-alcoholic beverages provided, takeaway containers provided so you can eat later if desired.

(6)

Your 2 hour booking includes a 15 minute ceremony and signing, 15 minutes for grazing and up to 90 minutes of portraits throughout our space and the city if desired (take a look at our full gallery on page 10 to see what's possible!)

You'll receive sneak peek photos from your day within 24 hours, and the remaining images (total of around 150 edits) + highlight Reel with chosen song within 2 weeks.
