

Weddings

We host a few weddings per year, opening up our venue and property exclusively for your special day.

You would have the venue from 12pm - 11pm with use of our B&B all day and overnight. You can choose to have your ceremony, reception or both here at our property.

For a seated wedding we are able to accommodate a maximum of 60 guests. For a standing wedding we are able to accommodate a maximum of 100 guests. We can offer a selection of canapés as well as a generous grazing table, with casual smaller tables and chairs around the venue.

Food & Wine

All food served at our weddings is designed and cooked by our chefs with local seasonal produce. For seated weddings, our three course set menu is shared down the middle of the tables and the menu starts at \$100 per person. There are options of adding canapés and cheese boards.

For larger parties we ask for a full menu to be enjoyed including canapés and a generous grazing table, starting at \$100 per head.

All drinks are as per our drinks list but if there is a special wine out there that you can't imagine your special day without then please do let us know and we will do our best to source it for you.

Minimum Spend for the venue.

The minimum spend for a wedding including set up for the ceremony and reception party is –

Peak Season (November to Easter) - \$26,000 inc GST.
