CEREMONIES *by* CASEY

Hi, I'm Casey

Born and bred in the Waikato, I'm a wife, mum, coffee enthusiast and someone who genuinely loves a good love story.

My goal isn't to deliver the same ceremony over and over again. It's to create something that feels natural, sounds like you, and sets the tone for an incredible day.

Whether you're planning a big celebration or something a little more intimate, I'll help make the process simple, enjoyable and completely stress-free.

Why Couples Choose Me

I'm Here to Make Things Easy

Planning a wedding comes with enough decisions already. I'll guide you through the ceremony process, keep things organised, and make sure you know exactly what needs to happen and when.

No Copy-and-Paste Ceremonies

Your relationship is one of a kind, and your ceremony should be too. I'll take the time to get to know you both and create something that genuinely feels like you.

Organised From Day One

From the paperwork to the planning, I'll keep things simple and make sure you always know what's happening next.

A Calm Presence On The Day

Weddings can come with a few nerves. I'll be there to guide you through the ceremony, keep things running smoothly, and help you feel comfortable in the moment.

Genuine Support

Whether you're stuck on your vows, unsure about the ceremony structure, or just need someone to bounce ideas off, I'm only ever a message away.

*At the end of the day, my goal is simple.
To create a ceremony that feels like you, tells your story, and
kicks off your celebration in the best possible way.*

A Few Questions You Might Have

Can we meet before booking?

Absolutely. I'd love to grab a coffee, a wine, or jump on a call and hear all about your plans before you decide if I'm the right fit.

Do we have to write our own vows?

Not at all. Some couples love writing their own vows, while others prefer something a little more traditional. I'll support you either way.

How do we secure our date?

Once you're ready to lock things in, I'll send through a booking agreement and invoice for the booking fee. Easy as that.

We have absolutely no idea where to start. Help?

Perfect. Most couples don't. I'll guide you through the process and help shape a ceremony that feels right for the two of you.

Do you travel?

You bet. I'm based in the Waikato and happy to travel throughout the region and beyond. Travel within 30km of Hamilton is included. For locations beyond this, a travel fee may apply.

Ready To Get Hitched?

I'd love to hear all about your plans.

Whether you've got every detail figured out or you're just getting started, let's have a chat and see if we're the right fit
