FREQUENTLY ASKED QUESTIONS

IS THERE PARKING?

There is street parking available, but we don't have any allocated private parking, therefore we encourage walking or car pooling to events.

WHO SETS UP & WHEN?

You will have access to the events space from 10am the day prior to your wedding to get set up. We will meet to give you access to the venue, and liase with any vendors who are setting up the day before or day of your wedding.

WHEN IS PACK DOWN?

All hired and personal items will need to be removed from the venue by 9am the following day.

ARE THERE NOISE RESTRICTIONS?

Our sound system is perfect for music and speeches during the event. Should you wish to have more than a Spotify playlist, we recommend booking a DJ or band for your event. Thames Coromandel District Council noise restrictions kick in at 10pm so our team will work with your entertainment on the night to make sure the levels are perfect. The outdoor laneway will close at 11pm, to reduce noise impact on neighbouring properties.

HOW DO BEVERAGES WORK?

Cinema Lane holds an on licence, which means that we are responsible for the selling and service of alcohol at your wedding. We have a few different beverage options available and we are also open to any preferences you may have.

WHAT TIME DOES EDISONS CLOSE?

The latest time for the bar to close and band/DJ to finish is 11.30pm, with guests exiting by midnight.

WHAT IS THE SECURITY BOND?

We may charge a security bond fee of up to $500, which will be invoiced 30 days prior to your event. After your event, we will inspect the premises within 48 hours and will refund your bond to your nominated bank account within 7 days provided that there is no damage to the property.

IS SMOKING ALLOWED AT EDISONS?

Cinema Lane is a smoke free premises. If you or your guests would like to smoke/vape, please exit the premise via the laneway to Port Road footpath where you are able to smoke.

PAYMENT TERMS
